

#### **COMPETENCE CHART**

- All partners agree on the criteria of the competence self-assessment
- Each student evaluate his own learning (evaluation figure between 1-4) on the criteria
  - 1: INSUFFUCIENT NOT REALISTIC for me
  - 2: OK BASIC LEVEL: I did not show this competence
  - 3: GOOD –WORKING POINTS to identify & work on it
  - 4: EXCELLENCE I've got very positive comments on this
- In 'evaluation by student': total learning effect of each student on this actual moment
- In 'evaluation of school team': total amount of the competences gained by the school team
  - Items for discussion in your school team:
  - o Which learning step can you take forward in your personal life?
    - o How can your school team grow?

### SELF ASSESSMENT COMPETENCE CHART

Am I able to find out who wrote the history?
 Have I been an active part of my school team?
 Did I feel responsible for the common results?

Did I respect rules ?
